

Mr. Mark Thorpe, President
Thorpe Construction, Inc.
4563 Eisenhower Circle
Anaheim, CA 92807

Dear Mark,

Messiah Lutheran Church, Yorba Linda would like to take this opportunity to thank everyone at Thorpe Construction Inc. for the excellent effort and teamwork demonstrated throughout our New Life Center and Campus Renovation project. This project posed many challenges while we constructed our 40,000 SF New Life Center and reworked the plaza walks throughout the existing campus with new landscape, lighting and pavers around our sanctuary and classrooms. Your crews kept our campus functional and clean during the entire project.

In retrospect I can truly say we made the correct choice including Thorpe Construction, Inc. on our team during the project. The experience your company brought to the table truly helped in finding solutions to many challenging conditions. Armed with "heads up" information we were able to plan both financially and administratively to minimize disruptions and delays caused by otherwise unknown and unplanned conditions.

Throughout this we had many critical milestones to meet and Thorpe Construction, Inc. hit them all averting disruptions to operations or creating hazardous conditions. The communication, safety, diligence and attentiveness demonstrated by Thorpe Construction, Inc. made this project a tremendous success. Thank you all for a job well done. Your company's commitment to this project made an otherwise difficult assignment more manageable for all at Messiah. We look forward to future projects together.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick Snyder", written over a white background.

Rick Snyder
